Section 2. That § 58-46-2 be repealed.

Section 3. That § 58-46-3 be amended to read as follows:

58-46-3. No captive insurance company may do any insurance business in this state unless:

- (1) It first obtains from the director a certificate of authority authorizing it to do insurance business in this state;
- (2) Its board of directors commits to hold at least one meeting each year in this state;
- (3) It maintains its principal place of business in this state and keeps at this place complete records of its assets, transactions, and affairs, in accordance with the methods and systems which are customary or suitable as to the kinds of insurance transacted; and
- (4) It appoints a resident agent to accept service of process and to otherwise act on its behalf in this state. If the registered agent cannot, with reasonable diligence, be found at the registered office of the captive insurance company, the director shall be an agent of the captive insurance company upon whom any process, notice, or demand may be served.

A group captive insurance company shall limit its exposure to loss on any one risk or hazard as required by chapter 58-13, unless the risk or hazard is reinsured through an insurance company which is licensed or accredited in this state, or unless other safeguards to the group captive insurance company's financial solvency and stability are in place and are acceptable to the director.

Section 4. That § 58-46-8 be amended to read as follows:

58-46-8. No pure captive insurance company may be issued a certificate of authority unless it possesses and maintains unimpaired paid-in capital of one hundred thousand dollars and surplus of one hundred thousand dollars. No group captive insurance company may be issued a certificate of authority unless it possesses and maintains unimpaired paid-in capital and surplus of at least two hundred fifty thousand dollars but not more than five hundred thousand dollars, the amount of which shall be determined at the discretion of the director. A captive insurance company may have capital and surplus in excess of five hundred thousand dollars. However, for a group captive insurance company, the ratio of premium to surplus may not be more than three to one unless the director has provided prior written approval for a different ratio. The capital and surplus may be in the form of cash or an irrevocable letter of credit issued by a bank chartered by the State of South Dakota or a member bank of the Federal Reserve System and approved by the director.

The director may prescribe additional capital and surplus for either a pure captive insurance company or a group captive insurance company based upon the type, volume, and nature of insurance business transacted, which capital may be in the form of an irrevocable letter of credit issued by a bank chartered by the State of South Dakota or a member of the Federal Reserve System and which is approved by the director.

Section 5. That § 58-46-9 be amended to read as follows:

58-46-9. No group captive insurance company may pay a dividend out of, or other distribution with respect to, capital or surplus, in excess of the limitations set forth in § 58-5A-35, without the

prior approval of the director. A pure captive insurance company may pay out a dividend in excess of the limitations set forth in § 58-5A-35 if notice has been filed with the director ten business days prior to the payment of the dividend and the director has not disapproved the payment of the dividend during that ten-day time period.

Section 6. That § 58-46-10 be amended to read as follows:

58-46-10. A pure captive insurance company may be incorporated as a stock insurer, as a nonprofit corporation with one or more members, or as a limited liability company. A group captive insurance company may be incorporated as a stock insurer or as a limited liability company.

Section 7. That § 58-46-15 be amended to read as follows:

58-46-15. On or before March first of each year, each group captive insurance company shall submit to the director a report of its financial condition pursuant to § 58-6-75. The report shall be audited by an independent certified public accountant pursuant to chapter 58-43. Each group captive insurance company shall file with its annual report of financial condition an actuarial opinion pursuant to § 58-26-13.1. Each group captive insurance company shall submit to the director annual reports of its financial condition pursuant to § 58-6-75. If requested by the director, the group captive insurance company shall submit quarterly reports of its financial condition pursuant to § 58-6-75. A pure captive insurance company may submit, in lieu of the annual independent audit required by this section, a certification of its financial condition using statutory accounting principles verified under oath by two of its executive officers. However, a pure captive insurance company shall provide a report of its financial condition audited by an independent certified public accountant at least every five years. Upon request to and approval by the director, a pure captive insurance company may use generally accepted accounting principles in lieu of statutory accounting principles in its certification of its financial condition.

Section 8. That § 58-46-16 be amended to read as follows:

58-46-16. A pure captive insurance company may make written application for filing the report required by § 58-46-15 on a fiscal year-end that is consistent with the parent company's fiscal year. If an alternative reporting date is granted, the annual report is due sixty days after the fiscal year-end.

Section 9. That § 58-46-19 be amended to read as follows:

58-46-19. No pure captive insurance company is subject to any restrictions on allowable investments. However, the director may prohibit or limit any investment that threatens the solvency or liquidity of any such company.

Unless the director has provided written approval of a different requirement or limitation, group captive insurance companies shall comply with the investment requirements and limitations applicable to other insurance companies pursuant to chapter 58-27.

Section 10. That § 58-46-20 be amended to read as follows:

58-46-20. A pure captive insurance company may make a loan to its parent or affiliated companies. No loan to its parent or affiliated companies may be made without prior written approval of the director. A group captive insurance company may make a loan to its group or members of its group if prior written approval by the director has been provided. The approval shall be evidenced by a note in a form approved by the director.

Section 11. That chapter 58-46 be amended by adding thereto a NEW SECTION to read as follows:

A pure captive insurance company may enter into any arrangement to provide risk management services to an unaffiliated controlled business or an unaffiliated business but may not accept any insurance risk from an unaffiliated business. A pure or group captive insurance company may not insure:

- (1) Any life or health risk;
- (2) Any personal lines property casualty risk; or

- (3) The risk other than that of itself or its affiliates.
